POLICY STATEMENT:

This policy sets fair and reasonable practices and criteria for the invoicing of municipal resources required for inspections to report on conditions or results and take photographs of weed control areas at the request of individuals, organizations, corporations and government agencies, departments and ministries.

GUIDELINES:

1. Weed inspections as required under the Alberta Weed Control Act and carried out in the municipality's day-to-day operations are free of charge.
2. Inspections conducted at the request of individuals, organizations, corporations or government agencies, departments or ministries to report on conditions, results or take photographs will be invoiced at the Inspections rate listed in the Schedule of ASB Rates and Fees in effect on the date of the inspection.
3. The Inspection rate as specified in the Schedule of ASB Rates and Fees is inclusive of all municipal staff and equipment required to conduct the inspection.
